the Race War Is Ended.

THE REVOLUTION AGAINST BLACK RULE

Defends the Action Tuken as Es sential to enfety of Life. and Property.

ilmington, N. C., November 22,-1 bays a talk with the most successful revolusg in American politics. He is Colone;

he North. Of course you will understand," said the

corrupt. If became a favorite saying ing our recent campaign that the black a were the white men's dupes. But so roughly incompetent and weak were the

I find that I have been severely criti-

and for certain utterances of mine, fa a sech made several weeks before the ction. This was a very long speech, in ich in a philosophical way I discussed whole situation, fixed the responsibil-and indicated the remedy. The situaand indicated the remedy. The situa-n is what I have pointed out to you, a responsibility I fixed upon the gov-sor, and the remedy was that we must to this government into our own hands peaceable means if we could and by clibb means if we must. "Unfortunately for me only two ex-

one from my speech were published of the constraint of these extracts was a parapph in which I pilloried the governor for my the cause of our plight in Wilming and the other was the concluding that

Yes, I said it and I meant it. But at it came, and really until the shooting can the camer day, I hoped that not a man life would be lost. We were all man fire would be lost. We were all ry resolute men, and fivere were some lite elements in the community that re hard to restrain. But until the blacks gan firing on the whites, not a single of, so far as I know, had been fired at a lek man.

To show you how general was the feel-

that practically every Northerner in e town bore arms side by side with us. ten I formed the line to march to the cord newspaper office, I formed them in Junes of fours, Having half some mili-y experience, and the first man on the

t band side of the column was a North-a republican, whose wife is the daughter one of Grant's cabinet officers. I don't want the people of the North to we the opinion that we slaughtered the lek people here for the more purpose of ing and overawing them. The shooting is really necessary after the first out-sak of terror. But there was none of it t night after the first great disturbance, I der has been mone of it since. Human life is just agenfe here as it is in upper Broadway, New York. I have

on ready at a minute's notice, at any no during the last week, to turn out a centire white male population under

e entire white male population under ms to protect the negroes and their operty, and we have been using every wars in our pawer to induce the poor ack people who have been frightened by to return."

Will this race question continue to distance the continual of the summary has been established, and I besent the blacks will be better for it. Never ain will they be in control of this State."

"Is there a deposition here to boycott ored labor, and introduce white labor in steal."

"Yes, there has been considerable talk."

'Yes, diere has been considerable talk that, and our divizens are pledged to if it is practicable. My own epinton is at the whites and blacks would both be the off if the proportion of blacks to bles could be reduced. I also believe at blacks would get along better in the with. There are a number of difficulties the way.

'For instance, there is a certain class of

is to our coloned servants—our cooks, a laundrases and our stable men. Why, must the whole South would have dyaple in a week if we had to live our thern cooken, we are so used to the othern way of preparing distinct. Then, again, I imagine the matter of few will be a serious obstacle. Wages very low in the South, and I doubt if could get white men to come down as and work for anything like the ne-

e and work for anything like the ne-

could set white men to come down re and work for anything like the nemes receive."
While our conversation was in progress young colored man came in to see the stor. He said he was an closuitonist, during the winters gave dramatic rections throughout we south. He wanted mayor to give him a letter stating that was not a refugee from Wilmington. Was free to go to wind from the city be pleased.

Why certainly I will do so," replied mayor. "I know you well, ant will everything I can to help you, and you also delp me. I wish you would spread work around among colored men and men that they are to be absolutely protected. I wish you would also use your income to well those who have run away are hiding to come back. I wish you will also sak the colored secret societies deer this meetings for just one week. The is really no objection to first meeting the a that there is no telling where a might end."

"Mr. Masor," said the young colored a "will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will be the carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do everything I can to carry I four will do eve

Mr. Masor, said the young colored in I will do everything I can to carry your wholes. I also want to say that colored people of Wilmington have the statest confidence in you and your administion, and they believe you intend to see them."

#### A TRAVELING LIBRARY.

Woman's Club of Waco Will Start It Over McLennan County.
Waco, Texas, November 22.—The

Woman's club of Waco has decided to start a traveling library modeled after the one scat one in Wisconsin by Governor Stout, only the Woman's club library will be confined to McLennan county for the present, while Governor Stout's traveled over the entire State. The travelleg library will start with sixteen cases of thirty books ized in each of forty-three towns, large a talk with the most electron politics. He is Colone; set in American politics. He is Colone; M. Waddell, now the mayor of this to man's city. Colone! Waddell was neely a representative in congrues, and neely a representative in congrues, and the head and front of the movement the head and front of the movement ch overthrew black supremacy in Wilchort was a very mild mannered gentleman, e is a very mild mannered gentleman.

The Woman's club will be started on its round. The Woman's club will pay the traveling expenses to the first town and after that the posts will send it from one to the other, the senders paying the expenses to the receiver, until it completes the circuit of the country and returns to Wasco. Mrs. ER Rotan is the originator of the cuterprise and domates the books. The committee of was glad of the opportunity of talking the Herald in order that he might envor to remove certain prejudices against people of Wilminston which he underpose have invaded the minds of persons.

Ext Rotan is the originator of the committee of the Woman's club in charge of the traveling library is composed of the following: Mrs. H. C. Lindsey, Mrs. John Steeper, Mrs. Maud Cole and Mrs. Willie D. House.

use about twelve months. A reward of \$5
will be paid for its recovery. Address J
J. Sanders, sheriff of Caldwell county, at

Winona, Texas, November 21.-As everyocdy who has been to Winona knows, there is a gully about twelve feet deep just back of J. F. McClung's store, where the dirt road ran before the railroad came here. In this gully there is a peach tree which In this gully there is a peach tree which voluntarily came up about three years ago and is not a very tall tree yet, the top being just about even with the top of the ground. The tree is now full of blooms. It is supposed that as the tree is in the gully that the cold has not affected it as if above the ground, but rather kept it warm, hence the early briding and blooming.

Killed by Falling from a Train. Garrison, Texas, November 21.—Frank Conway of Tenaha, Texas, was killed last by falling off of the southbound

Tenaha, Texas, November 21.-Today the remains of Frank Conway, who was killed at the bridge on the Naconich creek, in Nacogoahes county, were brought in by the Houston East and West Texas train. It is supposd he met his death by being run over by a train on the Houston East and West Texas railroad. He is to be buried here tomorrow.

Charged with Attempted Assault. Waco, Texas, November 21,-Nathan

Freeman was arrested in this city this norning on a warrant issued by the jusice court at Osage, Coryell county, charging assault to rape. Freeman was peddling n the Osage neighborhoof, where it is

alloged the assault was committed.

Officers from that neighborhood report greed excitement shord. Fromman was taken to Gatesville today by Sheriff Baker, who was asked to accompany the osage officers. He will resist any attempt to take him to Osage, fearing violence. Store, corner Malu and Preston.

the assignment was made for the term.

Corsicana, Texas, November 22-Don Mc-Pherson, workman on section gang 14, was run over and killed by a train four miles no.th of town tonight.

# ECZEMA

I suffered from Eczema on the right ear. I could hardly keep my hands off it, the itching was so severe. Small bubbles would open, emitting a watery-like substance, apparently emitting a watery-like substance, apparently poisonous. One of the leading doctors here treated me, and applied the usual physician's remedies without benefit. My brother recommended that I try Cutricula. The first application was scothing, and before the box was haif gone the disease had disappeared.

H. C. BARNET, 614 Race St., Cinu., O.
